For 11th grade/Junior year, students will have 7 classes: English, Math, US History, and 4 additional classes (electives or individual requirements for your specific situation).

Here are the [WHS graduation requirements and 4 year college eligibility requirements](#) (A-G classes) for your reference. Questions should be directed to the [counseling office](#).

Students and Parent/Guardians are encouraged to read through the WJUSD [course catalog](#) for course and prerequisite information, utilize this [visual flow chart](#), take a look at our [CTE Video](#), and ask questions when needed to make an informed decision regarding choosing classes for next school year.

As a reminder, as we enter the 2024/2025 school year:

- ★ Schedule changes can only be requested up to the 5th day of school
- ★ No changes will be made for period or teacher preferences
- ★ Students may **not** drop year-long courses at the semester

Please note that all courses selected **are requests** and requests are not guaranteed. Course requests are honored based on space availability, meeting graduation requirements, and meeting prerequisites. Counselors will change courses as needed if incorrect course levels are requested

Students will enter their requests on AERIES
